### WE SELL P. J. CORSETS

Do you know what they are? The Corsets of comfort and style. The only corsets that will not—because they cannot—stretch. They're built that way. The test of time has convinced us that what the manufacturers long ago claimed is absolutely true. These corsets cannot stretch. Because of the properly shaped and carefully shrunken material which enter into their make up it is an utter impossibility. Three qualities—\$1, \$1.25, \$1.50.

### ANOTHER IMPORTANT POINT!

Get the right size. Nature gives most women beautiful figures which they promptly ruin with poor corsets. Get a corset that fits and pay enough to get a good one. Too small a corset destroys symmetry—too large a corset is just as bad. In either case no point of the corset strikes you where it should. An able saleswoman has charge of our corset section—she has studied the question and can help you to determine the style and size best adapted to your figure. Consult her.

The stock is brand new—every pair just from the factory—the prices are right and the terms are cash. This plan will secure the best goods for the money, as there will be no bad debts, and you'll not have to pay for what is lost on other—something that is unavoidable in the credit system.

### DIED AT LOUISIA.

Miss Mary Wroten, a Former Resident of This City, Aged 93.

Comparatively few now here remember Miss Mary Wroten; but those who do will recall one of the best of women. She was born on the "Eastern Shore" of Maryland, and came to Mayville at an early day with the family of her brother, John Wesley Wroten; and after his death about twenty years ago, she went to Louisiana to make her home with her nephew, Dr. George W. Wroten, where she died Friday night, at the ripe age of 93.

A noble Christian woman has gone to her just reward.
